

Software Engineer Co-op (Spring 2022)

Battelle delivers when others can't. We conduct research and development, manage national laboratories, design and manufacture products and deliver critical services for our clients—whether they are a multi-national corporation, a small start-up or a government agency. We recognize and appreciate the value and contributions of individuals with diverse backgrounds and experiences and welcome all qualified individuals to apply.

We are currently seeking a **Software Engineer Co-op for Spring Semester 2022**. This position is located in Columbus, OH.

JOB SUMMARY

We are looking for a Software Engineer Co-op for the Battelle Toolchain team within the CIT organization. In this role, you will work with a team of technologists to design and build a “best in class” Firmwide Software Toolchain for Battelle, participate in discussions in our public cloud strategy and partner closely with the software community of practice to ensure our offerings align and enable Battelle's Blue Chips across each of the business lines. We want to be the differentiator.

MAJOR RESPONSIBILITIES:

- Hands on development utilizing groovy & configuration set up with SaaS based products
- Assisting and working with team members on implementing quality code standards
- Utilizing CLIs, APIs and other technology driven solutions
- Working with Terraform Enterprise, Azure, GitHub and Advanced Security

THE FOLLOWING IS REQUIRED:

- Ability to work well in team environments
- Basic understanding of modern development technologies such as NodeJS, Python, GO
- Detail-oriented coupled with the ability to show initiative, good judgment, and resourcefulness
- Currently pursuing a Bachelor's degree in Computer Science, Information Technology, or equivalent technical field
- Must be a sophomore standing or higher
- Minimum 3.0 GPA or above
- Must be U.S. Citizen

THE FOLLOWING IS DESIRED:

- Basic understanding of software development methodology and GitOps
- Experience with Artifactory and/or Kubernetes a plus
- Applicants available to work part- time during the school year will be given preference (only if applicable)

BENEFITS

Battelle is an Affirmative Action/Equal Opportunity Employer and supports diversity in the workplace. Applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, age, disability, veteran status, marital status, or sexual orientation.
