Library

BSUs Military Resource Center was established to provide the members of our community, who have served, is currently serving, will be Commissioned to serve and their dependents with support as they navigate Bowie State University.

Come out and join us over refreshments for Veterans Day and learn more about the Military Resource Center (MRC) it capabilities and services. Learn more about and join the BSU Student Veterans Association (BSUSVA) which serves as an advocate, social community and service organization for our students.
