

BOWIE STATE UNIVERSITY

RESEARCH EXPERIENCE FOR UNDERGRADUATES (REU) IN CYBERSECURITY

Program Dates:

May 31- August 5, 2022

APPLY HERE

Application Deadline:

March 16, 2022

Actively participate and contribute to a faculty-mentored research project during this 9-week Research Experience for Undergraduates (REU) summer program.

- \$400 per week stipend
- Meal allowance
- Room & Board
- Travel allowance to and from BSU

**Disclaimer: Please note that all dates and site format (virtual or in-person) for the 2022 REU program are indicative and subject to change due to the development of COVID-19.*

Eligibility Requirements

- Citizen of the United States or permanent resident
- Enrolled in a degree program leading to a baccalaureate or associate degree in computing-related fields
- Minimum 2.5 GPA

Program Benefits

- A one-on-one mentoring experience by faculty
- Networking with other research students from various fields
- Present your research at the culminating summer research symposium and at national and regional conferences
