

**The Graduate School
Academic Improvement Plan**

Student Name: _____
Student ID: _____
Program: _____

To be completed by the graduate student and his/her academic advisor.

Please use this form to document specific academic issues that have contributed to academic probation. List specific activities to rectify the academic issues on this form. Although the activities listed on this form are not contractually binding on the student or the academic advisor, this document will help the graduate student develop a clear path back to academic success.
