Bowie's Got Talent -

On Monday October 13th the students of Bowie State looked forward to the annual talent show that takes place every year. Every year the students sit back and relax as they watch their peers perform their talents in front of the student body. These talents vary anywhere from singing to dancing all the way to comedy acts. This event was huge success and sold out of tickets by the end of the day. The acts of this event were very enjoyable and got the students of Bowie State excited for what was to come throughout the week. This was an excellent event to bring the students together and raise school morale. Bowies Got Talent is one of the most anticipated events of the semester and this year's performers and performances were not a disappointment.

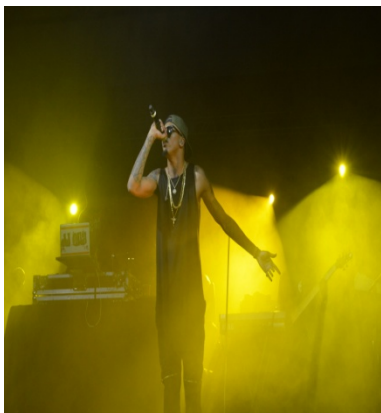

Bulldog Madness !!

- Bowie State continued to have the students pumped for the athletics programs by having the men's and women's basketball programs display their talents in front of the student body. The men's and women's basketball program did not disappoint as they competed in dunk contest, three point shoot outs and ultimately a 5 on 5 scrimmage that showed how the teams would look in the spring time. As students are excited about the football they are still reminded of the athletic excellence that the other programs posses.

The Big Day. 150 DEGREES!!!!

October 16th the day that all of the students have been waiting for. This was the highly anticipated concert with performances from some of the hottest artists in the industry. Leonidas James athletic complex was filled to capacity with barely any room to stand. With performances by August Alsina, Lil Boosie and Yo Gotti the students were in for a night that they will never forget.

Every single performer that came out made the students jump with excitement. The energy that these performers brought out to the stage was amazing. This was only the beginning of where the real fun of homecoming began.

Greek Step show was a success -

After the concert the Greek letter organizations on the campus put on a spectacular performance for students. Students have been exposed to this type of atmosphere before but now they get to see the fraternities and sororities showcase their talents as they compete for cash prizes and bragging rights. As the show went on there were excellent performances from all of the organizations that performed. The score was very close but Kappa Kappa Psi would walk away victorious as the 2014 step show champions.

Virginia State Ruins Bowie's Homecoming –

As Bowie State continued their festivities for homecoming the highly expected game versus Virginia State was finally here. The bulldogs started off strong but could not finish as the Trojans came and scored 17 unanswered points. It was a hard fought game but ended in a heartbreaking loss as the bulldogs lost 24-14 to the Trojans of Virginia State.
