

BOWIE STATE COLLEGE

PRESIDENT'S INTERPRETATION
OF WHAT STUDENTS REALLY WANT

March 1969

- I. Quality Education
 - A. Quality instruction
 - B. Quality resources, such as library facilities
- II. Justice for good instructors and punitive action against incompetent instructors
- III. Respect for the dignity and worth of students
- IV. A clean, safe, healthful and esthetically pleasing physical environment
- V. Involvement in affairs of the College
- VI. An institution of which the students can be justly proud
- VII. A good communication system
- VIII. Adequate transportation
- IX. Extensive health services
- X. The observance of professional and businesslike procedures
- XI. Participation by faculty and direction from faculty in student affairs without undue restrictions on the freedom of students.
- XII. Development of racial pride in an integrated setting
